#### **Restaurant App (Android Studio) | 2025**

Designed the Ring Restaurant app in Figma with intuitive navigation, interactive menu browsing, secure payments, and special deal features to enhance user engagement.

#### **Online Music Store (Java - MVC Architecture) | 2024**

Built a scalable Java-based online music store using MVC, featuring user auth, admin panel, secure premium plans, and feedback management to enhance UX and security.

#### **Construction Management System (PHP) | 2024**

Developed a PHP-based construction management system with user roles, project tracking, resource allocation, and inventory control—streamlining operations and enhancing stakeholder visibility.

#### **TravelGuru Tourism & Language Learning Platform (WordPress) | 2026**

Designed and developed a tourism platform that combines cultural travel experiences with Sinhala and Tamil language learning. Implemented destination showcases, cultural interaction features, and user-friendly navigation to promote authentic Sri Lankan travel experiences.

**EDUCATION**

**BSc (Hons) in Information Technology (Undergraduate)      July 2023 -Present**

Sri Lanka Institute of Information Technology (SLIIT)

GPA: 2.91 (as of Year 2, Semester 1)

**GCE Advanced Level – Mathematics Stream**

**2022**

Taxila Central College, Horana      -    Combined Mathematics – C    Physics – C    Chemistry – C

**Certificates:**

Web Designing for beginners - University of Moratuwa (2023)    Business

Analysis & Process Management - Coursera (2023)
